Owner Comments: Lucca is 55 pounds of lean muscle. Lucca is handsome, curious, very intelligent, extremely athletic, very social and sweet with other dogs and people (he ALWAYS has to say hello and give kisses when meeting other dogs, whether they are already friends or new dogs) and... very loving towards his family! He is sensitive to our moods and needs and has a great off switch to just relax when we are working or have other tasks since we always make it up to him with play and love. Lucca has a very low COI and solid robust health.

**Height has an asterisk if Entle has an official measurement from AKC, CEBA or other organization with measuring standards.*
