Owner Comments: Oda stands out with her tall stature, yet it's her boundless energy and love for life that defines her. A favorite pastime includes long days at the beach to indulge in her passion for chasing balls. She has seemingly inexhaustible energy but equally cherishes her moments of rest, often found napping to recharge. Oda's balance of high-spirited playfulness and eagerness to relax makes her a wonderfully well-rounded companion. Her physical attributes are impressive, promising to enhance the gene pool with strong, vigorous qualities. Oda's dynamic personality and robust health are qualities prospective puppy families and breeders will find highly attractive.
