Owner Comments: We decided to breed "Saber", Alpenglow's Sir Shasta v. Mountain Meadow (one of Brise and Tanner's puppies), when he passed all his health tests and received his CHIC number. He is such a wonderful combination of both Swiss and American Entles and brings both marvelous genetic diversity and good looks into the gene pool. At four years old, he is still very much a puppy: curious, enthusiastic, friendly and affectionate. If you are petting him and stop, he nudges your hand to remind you to start again. He runs fast, jumps high, has boundless energy and loves the outdoors. Very athletic and coordinated, if there is an obstacle in his way, he jumps over it, but he also settles down easily. Saber is a truly happy Entle, he went through CEBA 2023 in Rhode Island.

**Height has an asterisk if Entle has an official measurement from AKC, CEBA or other organization with measuring standards.*
