Owner Comments: Koji is a product of GCH Alpenglöw's Ana Sophia & GCH Arlo of Yama Inu Entlebuchers. He's inherited his sire's proud and grand stature and his dam's confidence. He loves the outdoors, learning new things, and his family, lovingly described as "his cows". When Koji is active, and that's often, he is like poetry in motion, he is quick, lithe and strong. When he jumps he seems to float. Koji's favorite activities are bubbles, fetch, going to the beach and tug of war.

**Height has an asterisk if Entle has an official measurement from AKC, CEBA or other organization with measuring standards.*
