Search for and edit your dog

Use any of the search functions to find your dog(s). Confirm that the Basic Information is correct, including registered name, date of birth, AKC or Foreign Registration number, Sire and Dam, and date of death (if applicable). Please add photos - you can add up to three!

If you need to modify these or any other fields, click on the menu after your dog's name and select edit from the drop-down menu. A form will pop up allowing you to fill in missing information or correct existing data.
