Comprehensive Breed Assessment Evaluation – Temperament – $25

Come join the FUN!! Be one of ten dog/owner teams to participate in CEBA this year at Frenchman’s Bar Regional Park, Vancouver, Washington.

CEBA evaluators: Greta Kaplan, her assistant Denise Mullenix, and our CEBA crew look forward to assisting you as you walk your Entle through a series of aptitude exercises designed to evaluate your dog’s inherent qualities in Nerve Strength, Sociability, Play, Prey, Hunt, and Defense Drives. In addition, this process will provide an opportunity to assess your team's working relationship. After all dogs have completed the course, there will be time to discuss your team’s unique qualities with Greta and Denise.
